

From the AME Community Outreach Committee...

Give the Gift of Sight

Donate those old prescription eyeglasses and sunglasses sitting in a drawer or on a shelf that you've replaced with new ones. They can be repurposed for those less fortunate.

Bring them to your worksite and your Unit President will collect them and bring them to AME Headquarters for you. The AME Community Outreach Committee will get them to the agencies and communities in Suffolk County where they are needed the most. What could be easier? Many in our communities don't have access to the resources that we do--times are difficult for many around us. This is one small way we can join together to help our neighbors and friends right here in Suffolk County

The Gift of Sight Eyeglass Drive will continue throughout 2010.
