AGREEMENT made this 18<sup>th</sup> day of January 2013, between Suffolk County, a municipal corporation of the State of New York, having its principal place of business at the Suffolk County Center, Riverhead, New York, as employer ("the County") and the Suffolk County Association of Municipal Employees, Inc., an Association being a domestic not for profit corporation, and an organization having as its primary purpose the improvement of terms and conditions of employment of public employees, having its office and principal place of business at 30 Orville Drive, Bohemia, New York 11716, as an employee organization ("the Association" or "the AME").

#### **WITNESSETH**

WHEREAS, New York State PERB has designated the Association as the sole exclusive bargaining representative for all jointly employed employees of Suffolk County and Suffolk County Community College listed and included in the decision in Case No. 6026A.

All other employees in the County of Suffolk and/or Suffolk County Community College shall be excluded from this Agreement and its terms and conditions, except those employed under new titles, which shall be dealt with pursuant to Section 17(D) of this Agreement.

The Management/Confidential employees as designated by New York State PERB or Suffolk County Mini PERB or by joint stipulation of the Director of Labor Relations and the President of the Association shall also be excluded. However, those employees who are designated confidential as above shall receive an additional monetary amount, above their contractual annual salary, as directed and designated by the Director of Labor Relations.

Present and/or new excluded titles and present and/or new excluded categories may be included in this Agreement upon the joint stipulation of the Director of Labor Relations and the President of the Suffolk County Association of Municipal Employees, Inc.

Those employees, as the Association represents, are hereinafter referred to as "the employees"; and

WHEREAS, the Association was on the 24<sup>th</sup> day of January, 2012, recognized by the New York State Public Employment Relations Board as the representative for the purpose of collective bargaining for the employees; and

WHEREAS, the Association has affirmed in writing to the County that it does not assert the right to strike against any government, to assist or participate in any such strike or to impose an obligation to conduct, assist or participate in such a strike; and

WHEREAS, the parties desire to enter into a collective bargaining agreement setting forth the amount of wages to be paid to the employees and the terms and conditions upon which the

employees work and perform their duties; and

NOW, THEREFORE, by reason of the premises and in consideration of the mutual covenants herein, the parties agree as follows:

**1. GENERAL OBLIGATION OF THE ASSOCIATION** The Association obligates itself for its members and employees that it and each of those members and employees will faithfully perform all of the terms and conditions of this Agreement on their respective parts to be performed.

**2. RECOGNITION: TERM** The County recognizes the Association as the sole and exclusive bargaining agent and representative for the employees of the AME College White Collar Unit and agrees to continue to do so, subject to the orders of the New York State or Suffolk County Public Employment Relations Board, courts and any arbitrator acting under this Agreement, for the maximum period permitted pursuant to the provisions of Section 208(2) of the Civil Service Law.

The County agrees to the Agency Shop provision as per New York State Law.

**IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING THE ADDITIONAL FUNDS THEREFOR, SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL.**

**3. RIGHTS RESERVED TO THE COUNTY** Except as specifically abridged, delegated, granted or modified by this Agreement, all of the rights, powers and authority the County had prior to the signing of this Agreement are retained by it and remain exclusively and without limitation within the rights of management, which are not subject to grievance procedures or arbitration.

This includes the right, power, privilege, subject to Civil Service Law, and to the terms of this Agreement where applicable, to plan, determine, direct and control or change the nature and extent of all its operations, to promote employees from one classification to another, to transfer and assign employees to places of work as it may elect, to create and abolish positions and to delegate duties, tours of duties and the manner of the performance of those duties. It also includes the right to demote, discipline, suspend or discharge employees for cause and to relieve them from their normal duties for any legitimate reason, to introduce new equipment, methods or facilities or change existing methods and to make and enforce rules and to carry out the functions of management.

**4. OFFICERS OF THE ASSOCIATION** The Association shall send the County and the College a letter of notification by January 15 of each year, which shall contain a list of the names and addresses of the officers of the Association. The Association

shall periodically update the letter of notification to reflect changes of the names and/or addresses of said officers. No officer of the Association shall be recognized by the County or the College until each has received notification of any new appointments or changes.

**5. COMPENSATION: REGULAR WAGES** The bi-weekly wages for the period beginning January 1, 2009 and ending December 31, 2012, shall be set forth in the Schedules attached hereto and made a part hereof.

Bi-weekly wages are the official salary rate. All salary rates shall be rounded off to the dollar figure as follows: \$.49 or below, rounded off to the lower dollar; \$.50 or above, rounded off to the next highest dollar.

**Salaries** - Please refer to the respective Salary Charts set forth in Appendix A.

Effective January 1, 2009, each step of the 2008 salary schedule will be increased by 2%. This wage increase becomes effective retroactive to January 1, 2011.

Effective January 1, 2010, each step of the 2009 salary schedule will be increased by an additional 2%. The AME hereby waives any and all retroactive wages and other compensation for the period January 1, 2010 through and including December 31, 2011 including, but not limited to, any compounding of the 2009 wage increase that would have occurred on January 1, 2010, which would otherwise have been received as a result of the increase effective January 1, 2010. When a full-time employee receives a promotion or upgrade, he/she shall receive a minimum of a 3% wage increase.

Both sides recognize the Rules for the Administration of the Classification and Salary Plan as adopted by various resolutions. (Resolution No. 919-77, amended by Resolution Nos. 52-78, 359-78, 625-81, 115-83).

C. No employee covered by this Agreement shall make an annual salary equal to or greater than that of the County Executive.

D. Employees receiving a pay raise or a promotion shall receive the new pay rate effective on the date the employee is appointed to a higher grade.

#### **5.1 Longevity**

Effective January 1, 2011, each step of the 2008 longevity schedule shall be increased by \$25. Effective January 1, 2012, each step of the 2008 longevity schedule shall be increased by an additional \$25. Longevity pay entitlement for employees is reflected in the following table, which reflects the amount of longevity payment and the number of years of completed service

necessary to qualify for said payment.

Longevity shall be paid as follows:

	<u>10 years</u>	<u>15 years</u>	<u>20 years</u>	<u>25 years</u>	<u>30 years</u>
1/1/11	\$1075	\$1575	\$2075	\$2225	\$2425
1/1/12	\$1100	\$1600	\$2100	\$2250	\$2450

**A.** For purposes of longevity, service must be continuous, except that leaves of absence for one year or less will not constitute a break in service. Except for military leaves of absence, no credit will be given for any time or leave which continues beyond one year. Suspensions shall not be deemed a break in service.

For purposes of longevity, an employee who had been on the County's or College's payroll for one year or more and who resigns or is terminated and then is re-employed by the County or College within one year will not lose previous time. However, the break in service shall be deducted from the total service time of the employee. An employee who resigns or is terminated and is subsequently re-employed by the County or the College, when the break in service was greater than one year, shall not receive credit for prior service. Longevity shall be based upon total years of County service.

**B.** For purposes of longevity, service shall mean service in the County of Suffolk and/or the College except that employees who were transferred into the employ of the County of Suffolk or the College because of an action taken by the County of Suffolk or the College shall likewise be credited for such service with their previous employer for the purpose of determining entitlement to longevity pay. For example, an employee of the Port Jefferson Sewer District who was assimilated into the County/College when the Department of Environmental Control was established shall, for purposes of longevity, receive credit for continued prior years of service with the Port Jefferson Sewer District. An employee of a school district who voluntarily resigns his/her position and accepts a position with the County/College shall not be given credit for prior service with the school district.

**C.** An employee will be deemed to have completed the appropriate number of years of continuous service on January 1 of the calendar year in which he/she shall have completed the service. An employee shall be entitled to longevity pay if terminated from service during the said year for reasons of death or retirement. Employees terminated for other reasons shall be entitled to receive a full year's longevity pay only if they have actually completed the appropriate number of years of service, as the case may be, at the actual date of termination. For example, an employee whose date of completion of 15 years of service is July 1, and who retires on March 1, shall have his/her full longevity check to which he/she is entitled upon the completion of 15 years of service paid to him/her as of the date of retirement. For example, an employee whose date of completion of 15 years of service is September 1, and who resigns on February 1, shall have his/her longevity check to which he/she is entitled, upon the

completion of 10 years of service, paid to him/her as of the date of his/her resignation.

D. Employees who are entitled to longevity pay on January 1 of any year shall be paid by separate checks on the Thursday immediately following the first payday following April 1 of that year. An employee must be on the payroll on January 1 to be eligible for a longevity payment in April. An eligible employee who is not on the payroll in April when the longevity payment is made will be paid the appropriate amount upon his/her return to the payroll.

## **6. COMPENSATION: PREMIUM PAY**

### **6.1 Overtime**

Time and one-half shall be paid for all hours worked in excess of the named work week. For all employees who are hired prior to July 1, 2006, any time off for vacation, sick leave, personal leave, holidays or other leave with pay shall be considered as days worked under this paragraph.

Employees who work a 37.5 hour work week will be paid at the 35 hour overtime rate where there are employees in the same title working a 35 hour work week, except during the first year of employment where all employees are working an additional 2.5 hours per week.

It shall be management policy to make payment for overtime worked no later than the second payday after the date of submission of the record of said overtime. Records of overtime work must be submitted to the College Human Resources Office.

Notwithstanding any inconsistent contract provision or practice to the contrary, all employees not covered by Fair Labor Standards Act (FLSA) Section 207(k) who are hired on or after July 1, 2006, shall be entitled to overtime as follows: at straight time for all hours worked after actually working 35 or 37.5 hours, as applicable, during the work week (Monday-Sunday), and at time and one-half after actually working 40 hours during the work week (Monday-Sunday).

Notwithstanding any inconsistent contract provision or practice to the contrary, all employees covered by FLSA Section 207(k) who are hired on or after July 1, 2006, shall be entitled to overtime as follows: at straight time for all hours worked after actually working 35 or 37.5 hours, as applicable, during the applicable FLSA work cycle, as designated by the County and at time and one-half for all hours worked after actually working the maximum number of hours in the applicable FLSA work cycle, as designated by the County.

### **6.2 Equalization of the Opportunity for and Obligation to Perform Overtime**

Overtime work, as an opportunity, in the same or related title shall be equalized among College employees as far as is practical. Supervisors may require the performance of overtime

or "called-in" work for reasonable periods as an obligation in cases where, because of seasonal or extraordinary requirements related to the job or because of the absence of normal personnel for whatever reason, the work is necessary to meet the normal work demands of the function of the College or some emergency exists. Seniority shall be a criterion in the selection of employees for overtime, provided that the employees have the ability to do the work. Overtime opportunity shall be allocated by seniority on a rotating basis.

### **6.3 Employee Option**

Employees shall have the option of choosing compensatory time and one-half off for overtime in lieu of paid overtime. This option shall be indicated by the end of the pay period in which the overtime has been worked.

However, at no time may an employee carry more than a maximum of 240 hours of compensatory time, except for those employees who, in accordance with the provisions of the FLSA, may accumulate a maximum of 480 hours.

Where an employee has 240/480 hours of compensatory time on the books, he/she will receive payment for any additional overtime earned. Issues as to the application of the FLSA shall be resolved in accordance with the provisions of the Act and shall not be subject to the grievance and arbitration procedure of the Agreement.

The employee shall be paid for all accumulated compensatory time upon termination of employment.

### **6.4 Recall, "Called-in" Work and Planned Overtime**

An employee, who is recalled to work on his/her normal work day or is called-in or directed to work on any non-work day, shall receive a minimum of four hours' pay computed at the overtime rate and in addition shall be granted a fixed travel time allowance on a portal (home) to portal (jobsite) basis of one-half hour each way computed at the overtime rate.

The employee shall remain at his/her job assignment and physically work for these minimum number of hours. If the employee does not remain on the job, he/she shall only be paid for the hours actually worked, unless directed to leave by a supervisor, in which case he/she shall be compensated for four hours. Employees scheduled to work overtime on a non-work day, who have received 24 hours advance notice of the overtime work, shall not be entitled to receive the fixed travel time allowance provided for above.

This provision shall not apply to split shift employees. Overtime under this provision shall be accrued and payable pursuant to Section 6.1 of this Agreement. This provision shall not apply to work performed directly before or after the employee's regular shift. For purposes of this section, a non-work day shall be defined as any day an employee is not

scheduled to work, such as a scheduled personal day, a scheduled vacation day, a scheduled holiday, a scheduled day taken for compensatory time accumulated or scheduled time worked in lieu of a holiday.

#### **6.5 Night Differential**

A night differential of 10% shall apply for any shift starting at 6:00 p.m. or later, or ending at 6:00 a.m. or earlier.

An employee who works a majority of his/her time during the specified evening or night shift shall be entitled to the night differential for his/her full pay. Employees working rotating shifts shall not receive a night differential.

#### **6.6 Rotating Shifts**

An employee who is regularly assigned to a two-tour rotating shift shall receive an additional \$1,100 or 6%, whichever is greater.

An employee who is regularly assigned to a three-tour rotating shift shall receive an additional \$1,100 annually or 10%, whichever is greater.

An employee who regularly alternates between day and night shifts during the year shall be deemed to be working rotating shifts.

#### **6.7 Limitation of Application**

All those employees in Grade 23 and below shall be entitled to overtime.

#### **6.8 Compensatory Time**

If an employee elects to take compensatory time in lieu of paid overtime, he/she shall be given an opportunity to take the compensatory time at a mutually agreed time during the year in which it was earned. If the compensatory time is not taken by the end of the last full pay period in November in the year in which it was earned, the employee shall be paid for it by separate check on or before December 31. Any compensatory time earned after the above-mentioned time shall be carried over to the following year.

Two times per year, employees have the option to convert accrued compensation time to monetary compensation by submitting a request to the College's Human Resources Department.

These payments will be made in June and December by separate check based upon the last full pay period in the previous month.

All employees who are in Grade 24 or higher shall continue to accrue compensatory time at the same rate as past practice. However, these employees shall be allowed to accumulate this time unlimited and may, at the employee's option, convert up to 70 hours per year to vacation or sick time at the end of the year. Any time not used or converted by the end of the year shall

be lost.

However, any employee in Grade 24 or higher who is covered by the FLSA shall be subject to the same compensatory time and overtime rules as those employees below Grade 24 with respect to overtime earned for hours worked in excess of 40 hours in a work week.

Issues as to the application of the FLSA shall be resolved in accordance with the provisions of the Act and shall not be subject to the grievance and arbitration procedure of the Agreement.

#### **6.9 Weather Emergencies**

If an employee is required to work more than two consecutive shifts (or its hourly equivalent) as a result of a weather-related emergency, he/she will be given a break of two consecutive hours at time and one-half pay during the first four hours of the third consecutive shift. This shall not apply to cases where the employee may be sent home during the first four hours of the third shift. If the employee is sent home during the first four hours of the third consecutive shift, his/her employer will not be required to provide the two hour break at straight pay. However, this shall not be utilized to avoid the payment of the two hours.

It shall be management's sole discretion to send the employee home or retain him/her during the third consecutive shift. If the employee works a third consecutive full shift which continues into his/her regular tour, it shall be continued at the overtime rate. If the employee is sent home, he/she may charge accruals for the day.

If the employee indicates that he/she is physically unable to continue to work, management shall not unreasonably deny a request to go home.

### **7. COMPENSATION: INSURANCE**

#### **7.1 Health Insurance**

"The Master SCEMHP Agreement" is hereby incorporated as referenced in Appendix \_\_\_\_.

#### **7.2 Workers' Compensation**

**A.** Employees who are injured in the course of their employment shall continue to receive their normal full salary, as per provisions of the State Law, for a period not to exceed 39 weeks. A portion of that salary, up to the state maximums, will be considered Workers' Compensation and will be taxed per federal and state tax regulations.

The Office of Insurance and Risk Management and/or the County's insurance carrier will make the determination whether the injury is compensable as defined by the Workers' Compensation

Law. In the event that the determination is adverse to the employee and the claim is not accepted, final determination as to the acceptance of the claim and its causal relationship will lie with the decision of the Workers' Compensation Board. The provisions of this Agreement regarding full salary will be tied to the final decision of the Board. In adverse situations, employees may utilize all accrued leave time allowances to receive pay for days not worked because of the injury. Time allowance will be only credited to the employee if the Workers' Compensation Board accepts the claim as compensable. Employees without accruals will be removed from the payroll subject to the one-half pay provision, pending a favorable decision on their claim.

Workers' Compensation will cease if the employee is able to perform a special or lesser assignment or in the event that the Workers' Compensation Board provides for a finding of reduced earning benefits without permanent disability and the employee has failed to appear for the special assignment. If, for any reason, the employer is unable to provide special assignment in accordance with the regulations of the Workers' Compensation Board, full payment will continue per State regulation and the salary provisions in Section 7.2, Paragraph 1, of this Agreement.

Upon a finding of permanent disability, an employee will cooperate with the College and file for disability retirement pursuant to the provisions of the New York State Retirement System. The employee will allow all medical personnel required to review his/her medical documentation in the process of his/her disability claim.

**B. Special Assignment** - Once an employee receives notification from the College's doctor and/or consultation physician or the individual's treating physician that he/she is capable of performing special duty, he/she shall be placed in a special duty pool under the following rules:

1. While performing special duty, the employee shall receive his/her normal salary.

2. Special duty shall be assigned commensurate with the employee's injury.

3. The employee shall be assigned to work at the duty station to which he/she normally reports to work. However, if there is no Special Duty at an employee's duty station, he/she may be assigned to any other location. However, if the assignment is more distant than he/she normally travels to work the employee will be paid the excess mileage.

4. The Special Duty pool will be administered by the Human Resources Department.

5. Any time spent performing special assignments shall continue to be included as part of the 39 week maximum benefit.

C. The Association recognizes the College's right to use

a College physician and/or consulting doctor as designated by the College to authorize an employee to a special duty unit in accordance with the above subparagraphs 1, 2 and 3. If the individual's treating physician and the College's doctor or consulting physician do not agree on an individual's ability to perform light duty, a third party medical group mutually agreed upon by the College and the Association will be utilized to determine the employee's capability. Should the third party medical group certify the individual's ability to perform special duty and the individual fails to appear for duty, the employee will receive a direct compensation payment and may utilize his/her accruals (sick time, vacation or overtime), pending a decision of the Workers' Compensation Board. Should the Board award a rate less than the full permanent disability rate, the decision will indicate the employee's capability to perform special duty during that period of time and no further reimbursement of accruals and/or compensation will be made. If the Board awards a full compensation rate, this will be regarded as a total disability and the individual's salary and/or Workers' Compensation rate or accruals will be adjusted.

**D.** In the case of an employee whose case has been controverted by the College, where the Workers' Compensation Board has not made a final ruling and where the employee has exhausted all time accruals on the books, the employee will be granted the half-sick-leave provision of the Collective Bargaining Agreement until a final Workers' Compensation Board decision is made, the 39 week period is exhausted or the employee's entitlement to half-sick-pay is exhausted, whichever comes first. Upon a final decision by the Workers' Compensation Board, all time accruals, half-sick-pay provisions and Workers' Compensation benefits will be adjusted in accordance with the ruling. This provision does not change the policy whereby an employee receiving Workers' Compensation benefits is not also entitled to the half-sick-leave provisions of the Collective Bargaining Agreement.

**E.** See Appendix J with regard to the selection of an independent medical consulting facility to serve as the third party medical group.

### **7.3 Benefit Fund**

Contributions to the AME Benefit Fund shall be used for the purposes of providing welfare and other benefits as determined by the trustees. This contribution shall be as follows:

Effective January 1, 2011, the contribution level shall be \$1,405.98. Effective December 31, 2012, the contribution level shall be \$1,455.98.

Payments to the Benefit Fund by the College will be made in advance on a bi-monthly basis. The amount of the pre-payment shall be based on the number of employees on the last payroll preceding pre-payment. There shall be a reconciliation at the conclusion of each two month period, whereby additional payments shall be made on a daily basis for employees added to the

payroll during the two month period but after the payment date, and whereby deductions on a daily basis shall be made for employees who are terminated during the two month period, but after the payment period.

#### **7.5 Long Term Disability**

The College shall provide a long term disability insurance program which, after a 90-day waiting period, will, on the 91st day of disability, pay a daily benefit of two-thirds of weekly salary up to \$300 per week for a period of two years (104 weeks). No accruals may be used to enable an employee to receive more than his/her full salary. In a case where half pay is applied to reach full salary, any unused portion shall be used to extend the benefit (See Appendix E).

The College will attempt to schedule physical examinations within two days of when the employee is designated to return to work. When the physical examination cannot be scheduled within the two days, the employee will be permitted to return to work pending a College physical, provided he/she has produced a note from his/her personal physician stating his/her ability to return to work. It is recognized that this policy shall not apply to employees who have been absent due to psychological conditions. Any employee who returns to work pending a College physical shall execute a release/waiver of liability to the College and indemnify the College and the County against any liability occasioned by his/her return to work.

In the event the College's doctor does not approve the employee's return to work, the disability leave shall continue.

#### **7.6 Death Benefit**

The College will provide all children and spouse, unless he/she subsequently remarries, of an employee who died in the line of duty, with free tuition in the College as long as they fulfill entrance requirements and were dependents of the employee at the time of death. ### **8. TIME FOR PERFORMANCE OF SERVICES**

employees in the same title within the College. If the title does not currently exist within a College job location, the employee's workweek shall be based upon the duties of the position, the interrelations with the surrounding positions and the operational needs of the College. No employee on the payroll prior to June 19, 1997, shall have his/her work day/work week changed as a result of the above language. In the case of employees who work 37.5 hours a week and whose jobs require working steadily through a shift and remaining on the job site, a half-hour lunch (or eating) period shall be allowed, with the provision it be taken at the job site and uninterrupted except for emergencies. The weekly work schedule shall be five consecutive days on plus two consecutive days off. Exceptions shall occur only on written agreement between the College and the Association. Also excepted shall be employees assigned to work a weekly work schedule of less than five consecutive days on.

All employees hired after September 3, 2001, shall work either a 37.5 hour or a 40 hour workweek which shall be 2.5 hours more than the number of hours worked by employees in the same title within the College at their workstation for the first year of their employment, at which time they will revert to the same number of hours as the employees in the same title within their Department at the College.

No individuals shall be required to work more than a normal 40 hour workweek (e.g., in a work location where employees currently work a normal 40 hour workweek due to "lock-in," new employees would also work the same 40 hours).

Except for those employees whose jobs require working steadily through a shift and remain on the job site, employees shall have, at a time designated by the Supervisor, two 15 minute breaks each day, one in the morning and one in the afternoon.

All employees normally required to eat a meal on duty or on the job site shall be paid for the meal time so that personnel who work a seven hour day shall be paid seven and a half or eight hours (whichever is applicable), including meal time and employees who work a seven and a half hour day shall be paid eight hours, including meal time.

Part-time employees shall earn and accumulate vacation on a prorated basis.

Employees who fall ill while on vacation may use their sick leave for the remainder of the illness and have their time adjusted, provided proper notice is given and a doctor's certificate is presented.

An employee's anniversary date is that calendar date on which the employee began employment with the County.

The College will determine and notify each employee prior to December 15 of each year when vacations may be taken, the number of employees that may take vacations at one time and the amount of each employee's vacation accruals to December 31 of the following year. Employees shall submit their vacation requests to management by January 15 and management will, by February 15, approve or disapprove the request. It shall be incumbent upon the employee to ensure that any vacation accrued beyond 60 days by December 31, of the following year, has been scheduled by that time or it shall be lost. Time beyond 60 days which has been scheduled and approved, then denied and not allowed to be rescheduled by management, shall be permitted to be carried over to the following year. Employees not permitted to reschedule scheduled vacation time lost, due to a workers' compensation absence, shall not lose any vacation accruals over 60 days.

**D. Court Obligations** - Employees who are called in to serve jury duty or who are subpoenaed for court appearances in connection with their official College duties, will continue to receive their regular pay notwithstanding required absences from the job. In the case of the employee's call to jury duty, any pay as received for jury service is to be turned in to the College, but any mileage allowance may be retained by the employee. This section does not apply to court appearances regarding personal concerns of the employee. An employee normally assigned to a rotating shift or night shift shall not be required to report to work on a day for which he/she is scheduled to report for jury duty. In the event an employee is on jury duty on the employee's scheduled day off, the College shall have the sole discretion to

In the case of other family members (grandparents-in-law, children-in-law, sister-in-law, brother-in-law, foster parent, foster child, uncles and aunts) one day leave will be granted for purposes of mourning. In the instances where only one day leave is permitted, the day need not immediately follow the date of death.

The Assistant Vice-President's decision shall be final and binding.

The fourth copy shall be retained by the employee.

The employee shall not suffer a loss of pay as a result of time spent attending grievance or arbitration meetings or hearings between the parties.

The employee, if he/she chooses, may be represented by an Association representative at each step of the grievance and arbitration procedure.

In the interest of uniform procedure and expedient handling, employees are expected to present their problems or grievances through regular supervisory channels in the following order and within 60 days from the incident complained about or from the date the incident should have been known to the grievant or the grievance shall be deemed waived.

In the case of grievances involving a group of employees, the Association may present them at the grievance procedure step compatible with the employer representative with authority to grant the relief sought. Failure by the employee to proceed to Step 2 within said period shall be deemed acceptance of the answer, if any, and shall, in any event, bar further processing of the grievance.

**Step 2** If the grievance is unresolved, the employee may, within the additional five working days specified above, submit the grievance to the head of the Department. If conferences are scheduled by the parties to resolve the grievance, the conference shall be held at mutually convenient times and places.

The Assistant Vice President of Human Resources, within 10 working days from the time the grievance is submitted to him/her, shall answer the grievance and record said answer on the written grievance form. Failure to answer the grievance shall not be deemed a breach of this Agreement. If the grievance is still unresolved, or if no answer is given the employee within five additional working days from the time of submission to the department head, the employee shall proceed to Step 3.

**Step 3** If the grievance is unresolved, the employee may submit the written grievance to the Director of Labor Relations. The Director of Labor Relations shall have 10 working days from the time the grievance is submitted to him/her in which to endeavor to resolve and/or answer the grievance in writing. If the grievance remains unresolved, the Association or the County may, within 30 additional calendar days from the time of submission of the grievance, submit the dispute to arbitration. The cost of the arbitration shall be borne equally by the Association and the County. If the Association fails to proceed to arbitration within this period, it shall be barred from proceeding the grievance to arbitration. However, if the decision of the Director of Labor Relations is satisfactory to the grieved party or parties, the decision shall be final and binding on the County and its representatives.

**B. Arbitration** - Arbitration shall be invoked by the Association with notice to the County. Upon written notification to the Office of Labor Relations and with notice to the College General Counsel's office by the Association that it is invoking arbitration, the Office of Labor Relations shall assign an

arbitrator from the previously agreed upon panel. Arbitrators shall continue to be selected on a rotating basis in alphabetical order and written notification of the arbitrator selected shall be sent out by the Office of Labor Relations. The arbitrator, as selected, shall hear and decide and render his/her decision with respect to the dispute within 30 days from the date of its "submission to arbitration," except if otherwise actually agreed upon by the parties.

**1.** The arbitrator shall have the power to summon, question and examine any employee and to require production of books, papers or other evidence as he/she may deem necessary.

**2.** The County and the Association will agree to appoint 10 people to serve as a panel of arbitrators. Arbitrators shall be selected in alphabetical order. If the arbitrator selected is unable to hear the grievance within 30 days from the day that he/she is notified of selection, the next arbitrator on the list shall be designated. Names of arbitrators who have served and of those who have been unable to accept an assignment shall be moved to the bottom of the panel list.

**3.** The arbitrator shall make final and binding decisions on all matters of procedure before him/her.

**4.** The arbitrator shall have the opportunity to make a final and binding decision upon any timely and properly presented claim by either party that the other has violated this agreement, except that the arbitrator shall not have authority respecting any matter as to which (a) the County retains exclusive rights under Section 3 of this Agreement or by operation of law or otherwise or (b) another method of review is prescribed or made applicable by law or rule or regulation having the force and effect of law. The arbitrator shall be without power or authority to make any decision which requires the County to commit an act prohibited or affirmatively permitted by law or rule or regulation having the force and effect of law or which violates or adds to any provision of this Agreement or any validly existing rule or regulation of the County. On application of the County to the New York Supreme Court within 90 days after its delivery, the decision of an arbitrator may be vacated on the ground that it violates this paragraph or on any ground upon which relief may be sought under Section 7511 or 7803 of the Civil Practice Law and Rules.

**5.** Findings and decisions are to be transmitted to the Association and the County and shall be enforced by them respectively, as the case may be.

**6.** The costs of the services of the arbitrator shall be shared equally by the parties.

#### **14. DUES DEDUCTIONS**

**A.** The College agrees to deduct from the salaries of its employees full and part-time membership dues and/or life, sickness and accident premiums for the Association from employees who voluntarily and individually authorize the County to deduct and to

transmit monies to the Association and in a manner consistent with the law.

**B.** The College agrees to deduct from the salaries of its employees premiums for personal lines of Casualty Insurance, such as auto, homeowners, etc., for the Association from employees who voluntarily authorize the College to deduct and to transmit monies to the carrier or agent designated by the Association. The carrier or agent designated for this program by the Association may be changed by mutual agreement between the County and the Association.

**C.** Deductions authorized by any employee shall continue as so authorized unless, and until, the employee notifies the College Vice President of Finance as to his/her desire to discontinue or to change the authorization in writing.

**D.** The Association assumes full responsibility for the disposition of the funds so deducted once they are turned over to the Association.

#### **15. PROTECTION OF EMPLOYEES**

**A.** All permanent full-time employees shall be entitled to the Progressive Discipline System and changes thereto, as developed and directed by the Office of Labor Relations. All hearings provided for by the Discipline System shall be conducted by the Central Administration of each Department. The Association shall have the right to appeal any discipline imposed by the department by use of the discipline system to the Director of Labor Relations. However, under no circumstances will a full time, permanent employee be terminated for disciplinary reasons, unless he/she is given the opportunity of a Section 75 Hearing. All Section 75 Hearings shall be processed through the Office of Labor Relations. The officer or body having the power to remove an employee against whom charges are preferred shall appoint, in writing, the Director of Labor Relations or his/her designee to serve as the Hearing Officer.

Where the County or College is seeking the termination of an employee, the employee may elect to proceed to arbitration regarding whether the County or College had just cause, in lieu of a hearing pursuant to Section 75 and 76 of Civil Service Law and shall execute a waiver at the time of exercising the arbitration option.

A supervisor who wishes to meet with an employee, whereby the meeting could reasonably result in disciplinary action, shall notify the employee prior to the meeting of his/her right to have a representative of the Association present at any interview.

**B. Seniority** - Will be based on the date of commencement of employment for all employees. The College will maintain a current seniority list of its personnel. The president of each unit shall request and receive a copy of the current seniority list of his/her unit(s) twice a year during January and July. The

seniority list shall include the name, seniority date and title of the employees. This list will be used to determine individual employee preference in vacation, leave rule decisions and job security.

In the case of non-competitive and labor class employees, advancement shall be made in accordance with the Blue Collar Career Ladder Agreement.

**C.** Any permanent employee whose position is to be abolished shall be given 60 calendar days' notice, in writing, by the Office of the County Executive or College President and shall be given first preference for any vacant positions in the same or related title areas within the College. With regard to the abolishing of non-competitive and labor class positions, the College will continue to follow its and/or the County's current practice.

When a competitive employee's job is abolished and he/she has permanent status in a non-competitive or labor class position, the employee may bump or retreat to the previously held non-competitive or labor class position.

**D. Eligibility for Benefits** - All full-time employees receive the full benefits. Permanent part-time budgeted employees shall participate in all time accrual benefits proportionate to the number of hours worked per day. Permanent part-time budgeted employees hired after June 16, 1998, must work greater than 50% of the established work week to be entitled to benefits.

Refer to Appendix H for Eligibility of Benefits.

Part-time employees who are scheduled to work more than 22 weeks per calendar year shall be entitled to salary benefits within this Agreement as per their respective salary schedule.

**F.** Non-competitive or labor class employees shall be returned to their former (prior) position during their probationary period if:

1. they fail probation and
2. request return to their prior position.

If the employee voluntarily goes back or fails, the employee cannot reapply for one year.

#### **G. Job Abandonment**

1. Employees absent from work without authorization for 10 consecutive workdays shall be deemed to have resigned from their positions if they have not provided a satisfactory explanation for their absence on or before the 11<sup>th</sup> workday following the commencement of their unauthorized absence.

2. Within 30 calendar days commencing from the 10<sup>th</sup>

consecutive day of absence from work without authorization, employees may submit an explanation concerning their absence to the Assistant Vice-President of Human Resources. The burden of proof shall be upon the employee to establish that it was not possible for them to report to work or notify the College, through the Assistant Vice-President of Human Resources, of the reason for their absence. The Assistant Vice-President of Human Resources shall issue a short response within five calendar days after receipt of the explanation. If the employee is not satisfied with the response, the Association, upon the employee's request, may appeal the Assistant Vice-President of Human Resources' response to the College President within five calendar days after receipt of the Assistant Vice-President of Human Resources' response. The College President or designee shall issue a written response within five calendar days after receiving the appeal. The procedure contained in this subsection shall not be arbitrable.

#### **H. Protection of Employees (Verbal Reprimands)**

Verbal reprimands shall not be placed in an employee's personnel file and the supervisors shall remove and destroy verbal reprimands from his/her files after six months, if there are no further disciplinary actions during that time period.

### **16. PERSONNEL FILES**

**A.** Upon request and at reasonable intervals of time, an employee shall be permitted to examine his/her official College personnel file.

**B.** Employees will be permitted to reproduce, once a year, upon their request, any material in their personnel file.

**C.** There shall be only one College "employee personnel file," except as otherwise agreed upon by the Assistant Vice-President of Human Resources and the President of the Association.

**D.** No material shall be placed in the file unless the employee has had an opportunity to read the material and affix his/her signature on the actual copy to be filed with the understanding that the signature merely signifies that he/she read the material to be filed and does not necessarily indicate agreement with its contents. If the employee refuses to sign the copy, the supervisor may insert the material in the file after adding to it and signing the following statement, witnessed by a union official: "I hereby certify that the employee named above has seen and read this material but has refused to affix his/her signature hereto."

**E.** The employee shall have the right to answer any material filed and his/her answer shall be attached to the filed copy. The answer must be submitted within 10 calendar days from the date when the material is placed in the file.

### **17. MISCELLANEOUS**

**A. Shift Change**

1. The College shall give 10 working days' written notice to an employee hired for a particular shift before changing the shift, except in case of emergency. Notice may be waived by the mutual consent of the employer and the employee. The College shall bear the burden of proving that an "emergency" exists within the meaning of this exception.

2. The College may temporarily change an employee's shift without penalty for training or conferences. Employees being moved from shifts which carry a shift differential shall receive that differential during the training or conference.

Shift assignments shall be determined on the basis of seniority as defined in Section 15(B) hereof and job classification.

It is recognized by both parties that shift assignments by seniority may only be made at a time when there is a vacancy for a particular shift. In no case may an employee with more seniority bump a less senior employee for the less senior employee's permanent shift.

3. The College may change an employee's shift as a result of disciplinary action or during the employee's probationary period. Probationary employees whose shifts are changed during their probationary period will receive a differential if they have come from a job which carries a differential.

4. A shift shall be considered to fall on the day on which the majority of hours of work fall.

**B. Association Contact** - A representative of the Association shall be permitted to make one contact during regular hours with each new employee to explain the Association's role as the employee's bargaining agent and to orient the employee with respect to benefits available. The Association's representative shall make this contact during his/her allotted release time. The new employee shall be using his/her own time (for example, coffee breaks, lunch breaks), not College time. The Association shall be notified of each new employee not later than the end of the first payroll period.

**C. Salary Appeals** - There is one County-wide Salary and Classification Appeals Board and it covers this Bargaining Unit. The County's Classification and Salary Appeals Board shall consist of five members: two representatives appointed by the County Executive's Office, two representatives appointed by the Association, and one representative to be mutually agreed upon by the County Executive and the Association President. This Board shall consider all appeals for employees covered under this Agreement. All appeals will be processed within two weeks after being submitted. The Board shall have the authority to draw their own rules and guidelines, which shall be binding upon the County

and the Association. The Board shall meet at least twice per year.

The decisions of the Classification and Salary Appeals Board, limited to two grades or two steps and further limited to \$500,000 for all decisions for each fiscal year, shall be final and binding. Payments shall be computed on an annualized basis.

No employee or group of employees who have received a salary reallocation may re-appeal to the Board within a three year period. An employee or group of employees who receive no salary reallocation as a result of their appeal may not re-appeal to the Board for a one year period.

The only body that may reallocate a grade, grades or a step or steps, of all titles covered by this Agreement shall be the Classification and Salary Appeals Board, as outlined in Rule V, unless agreed to by the Association President and the Director of Labor Relations.

**D. New Titles** - When a new title is approved by Civil Service, if this title is appropriately covered by this Agreement and the Association disagrees with the Assistant Vice President of Human Resource's grade placement of the title, the title shall be filled and they shall meet to negotiate the grade placement. Their agreement, if it involves a rate change, shall be retroactive to the employee's first day of work.

**E. Emergency Conditions** - The College President will be notified by the County Executive or his/her designee that, due to an emergency condition, certain and/or all of their employees may leave a work site(s). It shall be solely determined by the County Executive or his/her designee as to whether the employees will be required to charge the time to their accruals.

Those employees who are required to stay on duty shall receive only their regular pay. This assignment of those who stay on the job site shall be on a rotating basis.

The arbitration award and court decision in Koncelik will not be cited in any subsequent proceeding.

Where the towns, state, village or County roads are closed and, as a result, an employee is prevented from traveling to work, the employee may utilize sick time if there are no other accruals available.

In the case where an employee claims absence due to severe weather conditions and only sick leave accruals are available, the charging of sick time will be at the sole discretion of the Assistant Vice-President of Human Resources, whose decision shall not be subject to the grievance and arbitration procedures.

**F. Transfers**

1. In the event that an employee transfers from one position to another, the employee will transfer with all earned privileges, personal days, vacation and sick time accrued by him/her. Employees who transfer between the County and the College, with no break in service, will do so with the aforementioned privileges and benefits.

2. The Association recognizes the College's rights with regard to transfer. The parties agree, however, that a substantial degree of stability is desired. Therefore, for noncompetitive and labor class employees, posting of vacancies and the filling of the positions shall be made in accordance with the Blue Collar Career Ladder Agreement.

3. A list shall be maintained by the Human Resources Department of any competitive employee and any non-competitive employee in conformance with the Blue Collar Career Ladder language, requesting a transfer from one appointing authority to another. The names of employees requesting transfers will be forwarded to any Supervisor requesting to fill the title they occupy.

4. It shall not be necessary to post entry level, non-competitive and labor class vacancies. However, the College will notify the President of the Association of any entry level, non-competitive and labor class position which it is contemplating filling.

#### **G. Meal Allowance**

1. Employees eligible for a meal allowance on College Business in or outside of the County of Suffolk shall receive an allowance of \$12 per meal.

2. Employees shall be considered eligible for a meal allowance when they are required to work four consecutive hours either before or after a normal work day, or are required to report to work on a regular day off or a scheduled holiday.

3. Employees are responsible for submitting meal allowance vouchers on a monthly basis.

4. Those College areas which normally supply their employees with meals (in-house or out-of-house) may continue to give meals in lieu of various allowances.

#### **H. Tuition Reimbursement**

1. There is one County-wide Tuition Reimbursement Program and it covers this Bargaining Unit. The County shall establish rules and regulations on which an in-service program of training shall operate, pursuant to which the County will provide 75% of the cost of approved courses of study upon the successful completion thereof by the employee.

2. A Joint Labor/ Management Committee shall be

comprised of three members appointed by the Director of Labor Relations and three members appointed by the Association President who will oversee the tuition reimbursement program. The County will allocate \$200,000 for each year of the Agreement.

**a.** Reimbursement shall be approved on a course of study basis and shall include all required courses mandated by the educational institution for the completion of the course of study approved.

**b.** Required classes, which comprise the requirements necessary to obtain a certificate, shall be inclusive of the terms for other approved courses of study.

**c.** Rate of reimbursement shall be at 75% of the cost per credit hour in addition to any agreement between the County and the institution attended (e.g., reduced tuition rate).

**d.** The annual allotment rate shall be \$200,000 per year.

**e.** The Tuition Reimbursement Committee, as described in Section 17(K) of the White Collar Agreement and 17(I) of the Blue Collar Agreement, shall meet to review and discuss the status of the program. This shall include, but not be limited to, course eligibility (e.g., required and core courses), reimbursement rate and expenditure of funds and may institute a cap or adjustment of the reimbursement rate, expenditure of funds and total yearly credit hour reimbursement allotment.

**f.** Each participant in the program shall be eligible for reimbursement for a total of 12 credit hours per fiscal year.

**g.** Members of this Bargaining Unit shall receive reimbursement for classes necessary to obtain certificates for trade or promotional requirements.

**I. Postings** - The Association shall have the right to post notices and other communications for a reasonable period of time, dealing with proper and legitimate Association business, on bulletin boards maintained on the premises and facilities of the College. These notices shall show a date upon which they are to be removed from the bulletin boards by the College. In the event that the notice contains no date of removal, the College may remove it at its discretion.

**J. Health and Safety** - It is the obligation of the College to provide a safe and healthy work environment for all employees and to make every effort to ensure safe and healthy working conditions. The College shall direct supervisors to furnish forms for workers compensation claims to employees who are injured on the job who request the forms.

The College and the Association are members of a joint Labor/Management Health and Safety Oversight Committee composed of an equal number of management and Association

representatives. The Association will select its own representatives and shall co-chair the Committee equally. The designated representatives of the Association and the College shall meet on a regular basis. The Committee shall develop and implement programs to enhance skills and knowledge pertaining to general and job-specific safety and health.

1. All disputes and disagreements arising under health and safety clauses of this Agreement, if not disposed of by the Health and Safety Oversight Committee, shall proceed to the Health and Safety Grievance Board according to LL 10-1982 resolution N. 904-85 for appropriate recommendations for resolution.

2. Procedures for Imminent Danger shall be followed in accordance with the 7/19/91 Memorandum of Agreement.

3. Procedures for Indoor Quality shall be followed in accordance with the 5/22/86 Stipulation of Settlement.

Each new employee whose job puts him/her at risk will be tested once before and once after the active deer tick season. All other employees will be tested annually after the deer tick season has ended.

The College has agreed to provide testing for those employees who, in the course of their employment, are at risk of exposure to Lyme Disease. The testing procedures shall be developed by the County and the Association.

K. **Civil Service Promotional List** - The President of the Association shall be furnished with a copy of any original Civil Service promotional list when it is established and shall, in unique circumstances, receive upon request an updated list.

L. **College Cars** - It shall be at the sole discretion of the County on an individual basis as to which employees shall receive and be permitted to utilize College cars for travel to and from work. 1. The employee will notify his/her Human Resources Payroll Clerk no later than 9:30 a.m. of the next day.

2. A replacement check will be issued no later than 4:30 p.m. of this same day. The employee shall be responsible to pick up his/her replacement check, with no loss in time.

**O. Dress Code** - It is agreed that unit employees shall not appear at work dressed in shorts, T-shirts or tank tops. It is further agreed that additional and/or altered standards of dress and appearance proposed by individual areas must be approved by the Association President and the Assistant Vice-President of Human Resources. **R. Licenses** - Any Auto Mechanic who is required by the College to obtain a license to maintain his/her current position will be reimbursed for the cost of the license. This shall be the total obligation by the College with regard to these licenses. This obligation does not apply to any license required as part of the minimum qualifications for those positions.

**S. Job Evaluations** - The College may implement procedures for job evaluations in any or all areas of the College in which no such procedure is currently in effect, and may revise those procedures where they currently exist. This paragraph satisfies the College's duty, if any, to negotiate regarding the College's decision to implement, and the impact of the implementation of, job evaluation policies and procedures.

**APPENDIX C**

Intro Res. No. 1296-85

Laid on Table 3/26/85

Introduced by the Presiding Officer at the request of the County Executive.

RESOLUTION NO. 262 - 1985, ADOPTING LOCAL LAW NO. 6 YEAR 1985, A LOCAL LAW AMENDING LOCAL LAW NO. 30-1981, A LOCAL LAW TO PROVIDE FOR THE DEFENSE AND REIMBURSEMENT OF LEGAL FEES OF COUNTY EMPLOYEES IN CONNECTION WITH LAWSUITS ARISING OUT OF THE PERFORMANCE OF PUBLIC DUTIES OR RESPONSIBILITIES

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on March 26, 1985, a proposed local law entitled, "A LOCAL LAW AMENDING LOCAL LAW NO. 30-1981, TO PROVIDE FOR THE DEFENSE AND REIMBURSEMENT OF LEGAL FEES OF COUNTY EMPLOYEES IN CONNECTION WITH LAWSUITS ARISING OUT OF THE PERFORMANCE OF PUBLIC DUTIES OR RESPONSIBILITIES", and said local law in final form is the same as when presented and introduced; now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:  
LOCAL LAW NO. 6 YEAR 1985, SUFFOLK COUNTY, NEW YORK.

A LOCAL LAW AMENDING LOCAL LAW NO. 30-1981, TO PROVIDE FOR THE DEFENSE AND REIMBURSEMENT OF LEGAL FEES OF COUNTY EMPLOYEES IN CONNECTION WITH LAWSUITS ARISING OUT OF THE PERFORMANCE OF PUBLIC DUTIES OR RESPONSIBILITIES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK as follows:

S1. Local Law 30-1981 is hereby amended to read as follows:

**Section 1.** Legislative Findings

This Legislature hereby finds that County employees are currently subject to numerous lawsuits in connection with the performance of their routine duties and responsibilities.

This Legislature further finds that the courts have held that the defense of certain employees by the County Attorney's Office upon occasion constitutes a conflict of interest due to the divergent interests of the multiple defendants in complex litigation.

Therefore, the purpose of this legislation is to eliminate such a conflict by providing for appropriate defense counsel of one's own choosing for employees under such circumstances.

**Section 2.** Definitions

Section 2 of Local Law No. 30-1981 is hereby amended to read as follows:

As used in this law, unless the context otherwise requires: (a) the term "employees" shall mean any person holding a position by election, appointment, or employment in the service of the County of Suffolk, including, but not limited to, volunteers, any person not compensated for his or her services, and any member of any Board or Agency appointed by the County Executive and/or the Legislature, but shall not include an independent contractor. The term "employees" shall include a former employee, his estate or judicially appointed personal representative (b) the term "County" shall mean the County of Suffolk (c) the term "Legislature" shall mean the Suffolk County Legislature.

**Section 3.** Amendment

Section 3 of Local Law No. 30-1981, is hereby amended to read as follows:

**(a)** Upon compliance by the employee, peace officer or legislator with the provisions of section 3 of this Law, the County shall provide for the defense of the employee in any civil action or proceeding in any state or federal court of administrative agency arising out of any alleged act or omission which occurred or is alleged in the complaint to have occurred while the employee was acting, or in good faith purporting to act, within the scope of his public employment or duties, or which is brought to enforce any provisions of Sections 1981 through 1988 of Title 42 of the United States Code. This defense shall not be provided where such civil action or proceeding is brought by or on behalf of the County or any agency of the County. The determination of an issue of whether or not an employee was acting within the scope of his public employment or duties at the time of the occurrence, act or omission giving rise to a claim shall be made in the first instance by the County Attorney.

**(b)** Subject to the conditions set forth in this Law, the employee shall be represented by the County Attorney or an attorney employed or retained by the County for the defense of the employee. The County Attorney shall employ or retain any attorney for the defense of the employee whenever (1) the County attorney determines, based upon an investigation and review of the facts and circumstances of the case, that representation by the County Attorney would be inappropriate, (2) a court of competent jurisdiction determines that a conflict of interest exists and that the employee cannot be represented by the County Attorney, or (3) the County Attorney determines, based upon an investigation and review of the facts and circumstances of the case, that representation by the County Attorney would be inadvisable due to the unavailability of resources in the Department of Law.

**(c)** If an employee is entitled to representation by private counsel pursuant to Section 3 (b) of this Law, the County Attorney shall notify the employee in writing of such determination. The employee shall be entitled to select an attorney of his choice as private counsel provided, however,

**(i)** The County Attorney, upon review of the credentials of said attorney, approves said attorney as qualified to litigate such matters and,

**(ii)** The County Attorney determines in advance the fee to be paid for such representation, and provided further

**(iii)** that no attorney with interests adverse to or in conflict with the County be selected or permitted to represent employees covered by this Law. It shall be the responsibility of the County Attorney to determine when an adverse interest exists which would cause the disqualification of any attorney. Reasonable attorney's fees as determined by the County Attorney and litigation expenses shall be paid by the County to such attorney employed or retained, from time to time, during the pendency of the civil action or proceeding. Payment of such fees and expenses shall be made in the same manner as other claims and expenses of the County. Any dispute with respect to representation of multiple employees by the County Attorney or by an attorney employed or retained for such a purpose or with respect to the amount of the fees or expenses, shall be resolved by the Court.

**(d)** Where the employee delivers process and a request for defense to the County Attorney as required by Section 4 of this law, the County Attorney shall take the necessary steps, including the retention of an attorney under the terms and conditions provided in Section 3 (b) and (c) of this Law, on behalf of the employee to

avoid entry of a default judgment, pending resolution of any question relating to the obligation of the County to provide a defense.

(e) In the event that the act or omission upon which the court proceeding against the employee is based was or is also the basis of a disciplinary proceeding by the employee's Department or agency against the employee, then representation by the County Attorney may be withheld (i) until such disciplinary proceeding has been resolved and (ii) unless the resolution of the disciplinary proceeding exonerates the employee as to such act or omission.

**Section 4.** Beneficiaries

The benefits of the amendments contained in this Law shall be extended to all employees, including any employee in a negotiating unit for which an agreement has been negotiated pursuant to CIVIL SERVICE LAW, Article 14, regardless of whether such agreement expressly so provides, any language in Section 6 of Local Law No. 30-1981 to the contrary notwithstanding.

**Section 5.** Separability

If any provision of this Law, or the application thereof to any person or circumstance, be held unconstitutional or invalid in whole or in part by any court of competent jurisdiction, such holding of unconstitutionality or invalidity shall in no way affect or impair any other provision of this Law or the application of any such provision to any other person or circumstance.

**Section 6.** Recovery of Fees, Sanctions & Costs

Any County employee, for whom and on whose behalf a defense is provided by the County, pursuant to the provisions of this local law, shall promptly remit to the County Treasurer any award of fees, sanctions or costs made to such employee, unless otherwise directed by the Court.

**S2.** Effective Date and Applicability

This local law shall take effect upon filing in the office of the Secretary of State. The provisions of this local law are deemed remedial in nature and effect, and shall be applied to every action or proceeding hereafter commenced; or which is pending before a Court, or, for the appeal of any order or judgment in which time has not yet expired, at the time this local law takes effect.

APPENDIX DCHILD CARE LEAVE**A. CHILD CARE LEAVES GENERALLY:**

1. Leaves shall be granted by the College for child care in accordance with the following rules and regulations.

2. The employee concerned should give reasonable notification of intent to take such leave so that arrangements may be made by the Department for a necessary replacement of the employee during the period of leave.

**B. CHILD CARE LEAVE:** A child care leave shall be granted upon application in accordance with these guidelines to a natural or adoptive parent of either sex. A child care leave will be granted in the case of an individual and/or multiple births in accordance with the following:

1. Only one parent may be on a child care leave at any given time.

2. A child care leave may commence no earlier than the date of the birth of the child.

The commencement of a child care leave in connection with an adopted child shall be directly related to the date the child is placed in the home.

3. Child care leaves may be granted to a maximum of 12 months. However, in no case will an employee be permitted a combination of disability and child care leave which extends beyond a one year period inclusive of any disability leave (i.e., an employee who starts a disability leave four weeks before the date of delivery and uses accumulated time for the first eight weeks after the birth, may only take a child care leave of up to nine months). Where an employee has taken disability leave during the first six months of pregnancy and where the employee has returned to work for a minimum of three months prior to the birth of the child, such prior time taken for disability shall not be included in the calculation of the 12 month leave.

4. Any employee who does not commence child care leave immediately upon termination of a disability leave and/or any employee who does not commence child care leave upon the birth of the child and/or any adoptive parent employee, shall have the length of child care leave computed as follows:

<u>Age of Child Upon Start of Leave</u>	<u>Maximum Permissible Child Care Leave</u>
Birth up to 2 months	10 months
3 months	9 months
4 months	8 months
5 months	7 months
6 months	6 months
7 months	5 months

8 months	4 months
9 months	4 months
10 months	4 months
11 months	4 months

**5.** No child care leave shall be permitted for a child one year or older, except:

**a.** Where there are mitigating circumstances (such as, an infant who has required extensive hospitalization) and where the employee has returned to work and did not avail her/himself of a child care leave, the employee may make application to the Office of Labor Relations for special consideration for a child care leave extending beyond the child's first birthday.

**b.** Where an adoptive parent can show that an adoptive agency necessitates the adoptive parent to be at home with an adoptive child over the age of one year, the adoptive parent may make application to the Assistant Vice-President of Human Resources for a child care leave of a four week period. A minimum of four weeks will be granted in the adoption of a child over one year of age. Where an adoption agency necessitates more than a four week leave period, the employee shall be responsible for documenting same at the Assistant Vice-President of Human Resources in order to have the four week leave period extended.

**6.** No employee shall be permitted to use any type of leave accruals during a child care leave, except where an employee has a pre-approved vacation period (an employee may use vacation, compensatory or personal time) falling within the time period for which they have been granted a child care leave. The vacation period is to commence "immediately following the period of child care leave". An employee is not permitted to use other type of leave accruals immediately preceding or after such leave, except a disabled employee may utilize all applicable disability leave accruals (regardless of type) immediately before or after child care leave.

**APPENDIX E****LONG TERM DISABILITY INSURANCE****I. Eligibility**

An employee is eligible to receive the disability income benefits for a non-job-related illness which lasts in excess of 90 consecutive calendar days (at no time is an employee permitted to receive both workers' compensation and disability income for the same illness). The benefits provide for a weekly payment of two-thirds of the employee's income up to \$300 per week. These payments will be made on a bi-weekly basis by the College. An employee is eligible for this benefit payment for a maximum of 104 weeks. This benefit payment is to be made to an eligible employee regardless of the employee's payroll status (i.e. receiving accruals, on one-half sick pay, on an unpaid leave of absence, or at the exhaustion of the unpaid leave of absence). No accruals may be used to enable an employee to receive more than his/her full salary. Disability income is a taxable benefit. FICA must also be deducted from disability income for six calendar months after the calendar month that the employee last worked. Each employee receiving disability income should discuss disability tax income provisions with his/her tax consultant at the year's end. A separate W-2, indicating the disability income received, will be issued by the College at the end of the year.

**II. To Apply for Disability Income**

Application forms can be obtained from the Human Resources Department payroll/personnel representatives. An employee suffering a disability expecting to last in excess of 90 consecutive calendar days should submit the Suffolk County Disability Claim Form and W-4S Tax Form to his/her Human Resources Departmental payroll/personnel representative 30 days after the disability has begun. The physician's statement on the application must be completed before the form is submitted. By his/her signature on the application, the disabled employee is authorizing release of all medical records and documentation relating to his/her disability claim. Medical bills are not covered by disability and must be forwarded to the employee's health benefit carrier. The College may, at its discretion, schedule an employee for a consulting physician's examination to certify and/or recertify the disability.

The employee will be notified as to the approval or disapproval of his/her claim.

**III. To Appeal a Disapproved Claim**

Should the College deny an employee's claim for disability income, the employee will have the right to appeal to the Office of Insurance and Risk Management in writing within 30 days of his/her notification. The appeal should include any additional evidence which may substantiate the employee's claim. Copies of this appeal should be sent to the Human Resources Department's payroll/personnel representative, the Assistant Vice-President of Human Resources, and the employee's Union if applicable.

When a disagreement occurs, the matter will be referred to a third-party physician and his/her decision will be binding.

**IV. To Return to Work**

As soon as the employee is notified by his/her physician that he/she can return to regular duty, the employee must notify his/her payroll/personnel representative. The notice must include a medical report completed by his/her personal physician. An employee returning to the payroll from disability income is required to complete a W-4 to be submitted to the payroll/personnel representative.

**V. Recurrence of Disability**

Once the employee has returned to work, his/her disability income ceases. Should the employee suffer a recurrence of the original disability, based on a new incident, a 90-calendar-day waiting period must again elapse before he/she is again eligible to receive disability income. Should the employee be unable to perform his/her duties due to the existence of the same condition without further incident, the claimant may then continue to receive disability benefits, without any further waiting period, until the original one year period of payments has elapsed.

Should the claimant suffer a new disability unrelated to the original disability, the normal 90-calendar-day period and all procedures as previously stated will apply.

General questions which you may have regarding all benefits should be referred to your Departmental payroll/personnel representative. Specific questions regarding your individual circumstances for Health Insurance Benefits should be referred to the Employee Benefits Unit of the Department of Civil Service/Human Resources at 34866 (853-4866), or e-mail to [ebu@co.suffolk.ny.us](mailto:ebu@co.suffolk.ny.us). Specific questions regarding the Long Term Disability Insurance can be referred to the Office of Insurance and Risk Management at 853-4700.

**APPENDIX F****JOB PROTECTION**

1. Before assigning AME unit work to persons not in the AME Unit:
  - a) The College shall provide notice to AME stating the College's needs; and
  - b) AME may, within 10 days thereafter, propose alternatives to satisfy the College's needs; and
  - c) If AME proposes alternatives, the College and AME will meet and confer with respect to the AME proposals.
2. The College agrees it will not lay off AME employees as a direct result of an assignment of unit work.
3. AME shall receive monthly copies of such items relating to sub-contracting as are requested by them and which are available as a matter of public information.
4. AME shall be provided copies of all future contracts between contractors and the College relative to work now being done by negotiating unit personnel.
5. The Labor/Management Committee comprised of the Office of Labor Relations and AME referenced in Section 18 of the 1989 - 1991 AME Collective Bargaining Agreement shall meet on a regular basis to discuss current and proposed College contracts with regard to "Historically and Exclusively" contracting out bargaining unit work.

APPENDIX GBILL OF RIGHTS

To ensure that individual rights of employees are maintained, the following shall represent the employees' **Bill of Rights**:

1. In all disciplinary hearing proceedings, the burden of proof that discipline is for just cause shall rest with the employer.
2. An employee shall be entitled to a union representative or an attorney at each step of a disciplinary proceeding instituted.
3. An employee shall be entitled to a union representative or an attorney at an interrogation if it is determined by the questioner or reviewer at that time that such employee is a likely subject for disciplinary action.
4. No recording device shall be used nor shall any stenographic record be taken during an interrogation unless the employee is so advised in advance.
5. Except as provided in Section 7 below, no statement(s) or admission(s) made by an employee during an interrogation held without that employee having the opportunity of a union representative or an attorney will be subsequently used in a disciplinary proceeding against such employee.
6. No employee against whom disciplinary action has been initiated shall be requested to sign any statement or admission of guilt, to be used in a disciplinary proceeding without the opportunity to have a union representative or an attorney.
7. An employee shall be entitled to a union representative at each step of the grievance procedure.
8. An employee shall not be coerced or suffer any reprisal, either directly or indirectly, that may adversely affect that individual's hours, wages or working conditions as the result of the exercise of the rights provided by this Agreement.
9. Disagreements arising as to the interpretation or application of this Bill of Rights shall not be specifically addressed under this Bill of Rights, but must be grieved under the appropriate Article contained in the Agreement.

**APPENDIX H****ELIGIBILITY FOR BENEFITS**

DIRECTORMEMORANDUM OF AGREEMENT

When signed below, this shall constitute an agreement between the Suffolk County Association of Municipal Employees and the County of Suffolk with regard to amending Section 7.2 "Workers Compensation" to provide for an independent medical consulting facility to serve as the third party medical group. The parties agree as follows:

1. St. Charles Hospital and Rehabilitation Center in Port Jefferson, New York shall be deemed the Third Party Medical Group (T.P.M.G.).
2. The purpose of T.P.M.G. is to determine whether an employee who incurred an illness or injury (mental or physical) as the result of the performance of his/her duties has sufficiently recovered and is physically and mentally able for either temporary limited duty assignments (special assignment) or full duty.
3. The parties agree that the examining physician assigned by the T.P.M.G. shall complete a MEMBERS CONDITION AND RESTRICTIONS REPORT, upon completion of the evaluation. The County shall assign employees limited to restricted duty to duty assignments consistent with the restrictions noted on said report.
4. The examining physician assigned by the T.P.M.G., prior to making their determination, shall receive copies of the employee's diagnostic reports, x-rays, lab reports, hospital records and such other clinical evidence as the parties may deem relevant which would enable the consultants to render their own objective determination. Records may not be unilaterally submitted to the medical consultants. All records shall first be screened at a joint meeting of the representatives of both parties who will then forward said documents to the medical consulting service.
5. If the determination by the T.P.M.G. is for less than full duty e.g. temporary totally disabled or light duty, the T.P.M.G. shall set forth a time period when the employee shall again be re-evaluated. The County's Medical Evaluation Unit (M.E.U.) may re-evaluate the employee within one month of the date set by the T.P.M.G.
6. The re-evaluation by the County's M.E.U. may be included in the package sent to the T.P.M.G. for subsequent re-evaluation, but may not change the employee's current status.
7. Appointments with the T.P.M.G. will be scheduled by the department's personnel office.
8. The Office of Labor Relations shall act as the liaison in settling internal disputes between the Association and any department.
9. All other provisions of Section 7.2 remain in full force and effect.

**MEMORANDUM OF AGREEMENT**

When signed below, this shall constitute an agreement between the county of Suffolk and the Association of Municipal Employees to establish a pool of donated time for employees being treated for Breast Cancer.

Suffolk County recognizes the ever-increasing number of Breast Cancer incidents on Long Island and the hardship the treatment of such an illness places on the individual and their families. Therefore, Suffolk County has developed a proposal to assist those County employees, and their families, who are being treated for Breast Cancer.

The Office of Labor Relations receives quite a few requests to establish catastrophic illness/donation of accrual pools for individuals diagnosed with and being treated for Breast Cancer. While unfortunate, Breast Cancer, under normal circumstances, does not meet the criteria associated with a catastrophic illness. However, the hardship to the individual and the special needs associated with treatment and recuperation from Breast Cancer certainly warrants special consideration. It is for these reasons that this proposal addresses a concern of major consequence for families on Long Island.

Under this new program, AME members wishing to participate will be permitted to "voluntarily" donate "compensable" time to a pool of hours to be utilized for any employee, within AME, who is being treated for Breast Cancer and has exhausted his/her own accruals. The pool of hours will also be available for County employees within AME, who are primary caregivers or caretakers for a spouse being treated for Breast Cancer.

The following rules and procedures associated with this program shall apply, without exception, to AME members.

1. The Program will be "non-precedent setting", non-grievable", and "non-arbitrable".

AN EQUAL OPPORTUNITY AFFIRMATIVE ACTION EMPLOYER

2. Employees can only donate "compensable" time (accruals that result in county monies being expended, such as vacation time, compensation time, personal time and/or lag time, which would have been paid for upon separation). If an employee has both frozen and new accruals to donate, it is at their discretion as to which accruals shall be donated from. Time beyond contractual cap limitations at the end of the year may not be donated. Sick time may not be donated.
3. The employees wishing to donate their time to this pool shall sign a form stating the type of accruals to be donated, the amount to be donated and that they understand this time may not be rescinded. This form shall be maintained in the Office of Labor Relations. A copy shall be provided to the department payroll representative so that they may correctly adjust the affected timesheets.
4. Such donated time will be placed in a "special pool", which will be maintained by the Office of Labor Relations. The pool will be accessed by a committee, which will be comprised of the President of AME, or his/her designee, and a representative of the Office of Labor Relations.
5. Once time has been donated, it cannot be rescinded.
6. Proof of the employee's condition (or his/her spouse's condition) and a Treatment Plan or schedule must be provided to the Committee prior to consideration and approval for the use of pool hours. Periodic updates will be required (i.e. medical documentation).
7. The employee must exhaust all of his/her own accruals prior to donated time being utilized. If all accruals have been exhausted and half leave pay has commenced, the donated time will supplement the employee's pay up to 100% of the employee's "base pay". Any differentials the employee may have been receiving will not be considered. At no time can an employee's check be more than 100% of his/her normal gross salary.
8. The Committee will make a recommendation to the Director of Labor Relations. The Director's decision shall be final and binding.
9. The total amount of time an employee may utilize donated accruals for is six (6) months.
  1. (5) days x (7.0) hours x (26) weeks = 910 hours
  2. (5) days x (7.5) hours x (26) weeks = 975 hours

- 3 -

10. Extensions of up to but not to exceed six (6) months may be granted at the sole discretion of the Director of Labor Relations.
11. Any disagreement concerning the interpretation of the intent of this agreement shall be resolved by the Director of Labor Relations.

Nothing contained herein shall be deemed precedent setting and may not be cited in any other matter, such as but not limited to, any grievance, arbitration, court, PERB, or other related proceeding regarding the implementation and administration of the Breast Cancer pool, except to prove that a matter is non-grievable, arbitrable or non-precedent setting.
