## August 25th - September 5th

AME is partnering up with "The Recycle It Project" to collect your old, broken, or left over technology items such as **computers**, **tablets**, **servers**, **monitors and LCD's**, **printers**, **TONER CARTRIDGES**, **scanners**, **cables**, **copiers** and **network equipment**, **power supplies**, **TVs**, **stereos**, **cell phones** and **household appliances**. In doing this we will help the AHRC create employment opportunities for people with disabilities.

## First

Collect all unwanted electronics.

Electronics eligible to be donated are not limited to the above listed.

Any questions please call Diane de Wall at 589-8400

## Third
**OPTIONAL**

Certificates of Recycling and Data Destruction are available. Just go to the website www.TheRecycleITProject.com and follow the instructions. There is a $5 processing fee per certificate.

## Second

Bring all unwanted materials to AME Headquarters and place in the receptor in the AME lobby.
